AN EXPLANATION

Exhibitions have been held annually in Canada and the United States, since 1898, by the Carroll Galleries, of London, and as these Exhibitions have to be changed every year, there is consequently a large surplus. We have therefore "realized" this surplus through the medium of "Reduced Price Exhibitions" or "Auction Sales" towards the end of each selling season, in Western Canada.

We held a "Reduced Price Exhibition" in Winnipeg during the latter part of February and then proceeded westward. Now, on the return eastward journey, we have decided to hold an auction sale in Winnipeg, as it is absolutely imperative to realize on this stock of paintings regardless of cost.

We make this definite statement:

*"We shall not hold any further auctions or other sales in Western Canada. This is our final appearance until such time as conditions warrant the placing on exhibition of an important Collection of Paintings, works exclusively in the high-priced field."*

WE GUARANTEE EVERY PAINTING TO BE  
AS REPRESENTED.

THE CARROLL GALLERIES.

## TERMS AND CONDITIONS OF SALE

1. The highest bidder to be the buyer; and if any dispute arise between two or more bidders the lot in dispute shall immediately be put up again and resold, or not, as the Auctioneer may decide; who is also to regulate the biddings and be the sole arbiter.
2. Purchasers must give in their names and addresses and pay a deposit of 20% of the purchase price if required, in default of which the lot or lots so purchased may be immediately put up again and resold.
3. The lots are to be taken away and paid for with all faults, if any, within 24 hours from the conclusion of the sale.
4. To prevent inaccuracy in delivery and inconvenience in the settlement of purchases, no lot can be removed during times of sales and buyers must pay for the whole of their purchases before any particular lot can be removed.
5. All lots uncleared within the time mentioned may be resold by public or private sale when or where the seller may think proper without notice to the defaulter, and the deficiency, if any, and the expenses attending such resale and any other loss the seller may sustain shall be made good by the defaulter, but this condition is without prejudice to the vendor enforcing the purchase whether a deposit has been paid or not. All lots paid for and uncleared within the time mentioned shall be subject to warehousing charges.
